EDITO

Nous sommes heureux de vous proposer notre nouveau tarif.

Facile d'utilisation, ce catalogue est organisé par gamme, puis par série avec une présentation identique pour chacune d'entre elles : une photo de la collection, puis toutes les déclinaisons des lavabos, douches, bains, WC, bidets, et accessoires.

En complément de notre gamme de robinetterie de salle de bains, vous trouverez également dans ce catalogue nos collections de robinetterie de cuisine et notre gamme de sanitaires.

Le groupe MRF offre maintenant une gamme de 29 finitions de métal, commune à toutes ses marques : des plus traditionnelles — comme le chrome ou le nickel — aux plus originales — comme les patines ou le noir de bronze. Des finitions déclinées aussi en brillant, mat ou velours.

This year, we are pleased to offer you our brand new pricelist.

Easy to use, this catalogue is organized by range, then by series with an identical layout for each of them: a photo of the collection and all the variations of washbasins, showers, baths, WC, bidets, and accessories.

In addition to our bathroom fittings range, you will also find in this catalog our kitchen fittings collections and our sanitary ware range.

The MRF group now offers a range of 29 metal finishes, common to all its brands: from the most traditional – such as chrome or nickel – to the most original, such as patinas or black bronze. These finishes are also available in gloss, matt or velvet.

UTILISATION DU TARIF

Pour chaque produit, 5 gammes de prix (de A à E) vous sont proposées selon la finition choisie.

HOW TO USE YOUR PRICELIST

For each product, 5 price ranges -from A to E, are available depending on the selected finish.

CONSEILS D'ENTRETIEN

Les articles Margot ne nécessitent en principe aucun entretien spécifique, sauf bien entendu l'opération d'essuyage à l'aide d'un chiffon doux ou d'une peau de chamois, après utilisation.

Il faut toujours éviter de laisser sécher des gouttes d'eau sur le métal. Après l'évaporation, il restera en effet une marque provoquée par l'adhérence de microcristaux de sels minéraux contenus dans l'eau domestique et notamment du calcaire.

Traitées à temps, ces marques disparaitront par simple frottement à l'aide d'un chiffon doux imprégné d'eau, adouci par un produit ménager détartrant tel que du vinaigre blanc.

Si ces marques persistent :

- Sur les surfaces brillantes : Utilisez un produit de type « Poli Royal », disponible dans la catégorie « Pièces détachées » de ce catalogue.
- Sur les surfaces mates : Frottez doucement avec une éponge non abrasive, sans produit de lustrage.

N'utilisez jamais de produit chimique corrosif ou abrasif car ils pourraient endommager la finition.

CARE AND MAINTENANCE

Margot products do not require any specific cleaning apart from wiping with a soft cloth or a shammy after use.

However, please avoid allowing water droplets to dry on metal. Indeed, a stain would remain after drying because of the micro-crystals contained in the mineral salts in domestic water and lime scale in particular.

If caught early enough, those marks will disappear by simply rubbing with a moist soft cloth, softened by a household scale remover such as white vinegar.

If those stains remain:

- On glossy surfaces: Use a «Poli Royal» type product, available in the «Spare Parts» category of this catalogue.
- On matt surfaces: Gently rub with a non-abrasive sponge. Do not use polishing product.

Never use corrosive or abrasive chemicals as they may damage the product's finish.

PRISE EN CHARGE DE LA GARANTIE

Aucun retour de marchandises ne pourra être effectué sans l'accord préalable de Margot. Les envois doivent être faits par l'expéditeur en port payé et adressés à Margot. Les produits doivent être emballés de manière à ne causer aucun coup ou détérioration. À réception, les produits seront expertisés.

- Si le défaut est imputable à Margot, le produit sera soit réparé soit remplacé.
- Si le défaut n'est pas imputable à Margot, un rapport d'expertise sera rédigé ; le produit pourra alors être réparé ou remplacé aux frais de l'expéditeur après acceptation. Les frais de dépose et de repose ne sont pas couverts par la garantie.

II - COMMANDES
Chaque commande sera établie sur un bon de commande portant les présentes conditions générales. Toute commande est passée sous réserve de l'acceptation des Maîtres Robinetiers de France qui peuvent refuser celle-ci pour motifs légitimes ou la subordonner à des modalités particulières de paiement, notamment dans le cas de ventes à l'exportation. L'acceptation ou refus est adressé dans les meilleurs délais.
III - PRODUITS
Nos produits peuvent être modifiés ou leur vente arrêtée à tout moment. Tous nos catalogues, notices, imprimés publicitaires ou documents divers sont datés et les renseignements techniques et informations diverses qu'ils contiennent s'appliquent aux produits en vente à cette date.
IV - GARANTIE
À compter de la date d'installation nos produits en finition chromée sont garantis 5 ans, nos autres finitions sont garanties un an. Les finitions indiquées d'un astérisque (*) dans notre nuancier ne sont pas garanties. Les pièces d'usure (cartouches, têtes céramiques et cartouches thermostatiques, etc.) sont garanties un an. Les baignoires en fonte émaillée et sanitaires en céramiques sont garantis 5 ans. Les piètements et consoles métalliques sont soumis à la même garantie que la robinetterie.
La garantie couvre les défauts de matière ou de vice de fabrication à condition que nos produits aient été installés selon les règles de l'art et conformément à nos instructions de montage. Dans ces cas, après notre accord écrit, les produits seront retournés franco à notre usine. Cette garantie ne jouera pas en cas de réparation effectuée sans notre accord ou par une personne non agréée par nous. L'usure normale et les dommages occasionnés sont exclus de la garantie. Au titre de la garantie, nous assurons à notre convenance gratuitement la réparation ou l'échange des produits défectueux. Les frais de dépose et de repose ne sont pas couverts par la garantie. Dans le cas où un produit a été réparé la durée de garantie ne sera en aucun cas allongée.
V - FACTURATION
Nos marchandises sont facturées sur la base des tarifs en vigueur à la commande.
VI - PAIEMENT
Sauf conditions particulières écrites, nos factures sont payables par virement ou par chèque avant livraison. Il n'est pas prévu d'escompte pour paiement comptant. Toute facture devra être réglée à la date indiquée au recto de celle-ci. Son règlement postérieur donnera lieu au versement d'une pénalité de trois fois le taux d'intérêt légal. En sus, en cas de non-paiement d'une facture à son échéance, les frais de recouvrement seront facturés avec un minimum de 40€. En cas de non-paiement, nous pourrons résilier la vente de plein droit et sans sommation par l'envoi d'une lettre recommandée. Le non-paiement d'une seule facture à son échéance rend exigible de plein droit le solde dû sur toutes les autres factures. Lorsque le crédit de l'acheteur se détériore, nous nous réservons le droit, même après expédition ou exécution partielle d'une commande, d'exiger de l'acheteur les garanties que nous jugeons convenables en vue de la bonne exécution des engagements pris.
VII - TRANSFERT DE PROPRIÉTÉ
Nous nous réservons la propriété des marchandises jusqu'au complet paiement du prix. Les risques sont à la charge de l'acheteur. Les acomptes pourront être conservés pour couvrir les pertes éventuelles à la revente. Toute défaillance de l'acheteur dans l'exécution des conditions de paiement, d'une ou plusieurs factures convenues avec nous emportera résolution de la vente, et nous conférera le droit à la revendication des biens objets de la vente incriminée. En cas de prorogation de traite, les frais et intérêts résultant de cette prorogation seront à la charge de l'acheteur.

Les réclamations concernant la qualité de la marchandise, à l'exclusion de tout litige de transport, devront être formulées par écrit sous 48 heures à date de la réception de la marchandise. Aucun retour de marchandise ne pourra être effectué sans notre consentement écrit, ce consentement n'impliquant aucune reconnaissance de défaut de notre part. Les pièces doivent impérativement nous être retournées dans l'emballage d'origine.

Toutes les réclamations concernant les Maîtres Robinetiers de France doivent nous être adressées par écrit, sous 48 heures à date de la réception de la marchandise.

X - RÈGLES DE SAV
La robinetterie doit être installée, par des professionnels, dans « les règles de l'art » spécifiques à la robinetterie haut de gamme.
Nous attirons l'attention de l'installateur sur la qualité de la robinetterie et en particulier des finitions haut de gamme. Nous recommandons donc l'utilisation d'outils adaptés (en particulier équipés d'embouts synthétiques).
En cas d'incident :
Si un défaut mineur est constaté, il est de la responsabilité de l'installateur de régler le problème (changement d'un joint, d'une cartouche, etc.).
Si nous donnons notre accord pour remplacer une robinetterie ou un élément de robinetterie, l'installateur aura en charge les travaux d'installation sans pouvoir exiger une quelconque rémunération supplémentaire.
Ces services rendus sont la contrepartie du pourcentage de marge accordé à l'installateur.
XI - TEINTES
Les teintes du nuancier ne sont présentées qu'à titre indicatif, car l'imprimerie ne permet pas de restituer fidèlement l'écart des couleurs originales.
Nous invitons le client à valider la teinte par rapport aux nouveaux nuanciers des Maîtres Robinetiers de France disponibles chez nos revendeurs.
Dans un souci permanent d'amélioration technique et esthétique de ses produits, le fabricant se réserve le droit d'y apporter sans préavis toutes modifications qu'il aura jugées utiles. Photographies, illustrations et prix sont donnés à titre indicatif et peuvent être modifiés sans préavis. Malgré tout le soin apporté à sa réalisation, ce catalogue/tarif ne peut constituer un document contractuel.
XII - REPRISE DE MATÉRIEL ET ANNULATION DE COMMANDE
La reprise de robinetterie n'est pas la règle.
Un éventuel geste commercial peut être envisagé pour une robinetterie standard dans une finition chrome ou nickel. Une décote minimum de 20% sera systématiquement appliquée. La robinetterie devra être dans un état parfait et dans l'emballage d'origine. Nous n'accepterons pas de retour direct à l'usine. Le commercial ou représentant de notre société aura la responsabilité de vérifier l'état de la robinetterie, de valider la reprise et d'assurer le retour en usine.

XII - RETURN OF PRODUCTS AND ORDER CANCELLATION
